Sir,
Madam,

We apologize for having submitted a non compliant amendment on January 9th, 2010 as reported by Mrs. TYWANA P. LOVELACE, Legal Instruments Examiner (LIE). It appears that we later on submitted an IDS to report four patents cited by Mr Purington, Examiner of another of our patent filing having the same priority date. Because we submitted again an amendment to the claims with the IDS we now feel that the claims that are entered by USPTO may not be clearly defined as the previous amendment was not entered due to improper status identifiers.

Hence we propose to cancel all claims [1-46] and to re-enter a list of claims with the status (NEW) starting with claim number 47.

We have reordered the claims logically according to dependencies and corrected improprieties, for example by removing all quotes. Because of the risk of inherency, we
